alternative

Wood kid - *is the harmoniously melodious version*

Child in the forest - *the English version*

Forest Child – *the casually version*

Forest kid – *the American version*

Fire, Earth and Sun and Wind

Woo-oo-oo-oo-ood-kid

We come as we are

I'm a Wood-Kid look at me
There's dirt from head to knee
Under fingernails and in my hair
I almost look like a brown bear
There's dirt all over me
I'm a Wood-kid rather look at me

I'm a Wood-Kid look at me
I have muscles - as you see
And I'm climbing up the trees,
Dance in the snow and with the bees
I'm strong, you have to agree
I'm a wood-kid rather look at me

Woo-oo-oo-oo-ood-kid

Fire, Earth and Sun and Wind

Woo-oo-oo-oo-ood-kid

We come as we are

I'm a Wood-Kid look at me
I have friends like a bag of fleas
And all the fishes in the sea
And the birds fly with me
I have friends like bags full of fleas
I'm a Wood-kid rather look at me

I'm a Wood-Kid look at me
Come and play with me
I know the weather, the birds choir
I know how to blow a fire
Learning outside is fun, I guarantee
I'm a Wood-kid rather look at me

Woo-oo-oo-oo-ood-kid

Fire, Earth and Sun and Wind

Woo-oo-oo-oo-ood-kid

We come as we are
